

DEV SAINI

DATA SCIENTIST | MACHINE LEARNING • PYTHON • DATA ANALYTICS

Jaipur, Rajasthan, India | devs08107@gmail.com | +91 8764451718 | github.com/sainidev1211 | linkedin.com/in/dev-sainii | Portfolio: myportf-six.vercel.app

SUMMARY

Computer Science (AI & ML) undergraduate at Chandigarh University with hands-on experience building machine learning and NLP pipelines in Python. IBM-certified in Python for Data Science, AI & Development, with a Coursera specialization in Mathematics for Machine Learning. Experienced in dataset integration, health-risk-prediction modeling, and data-driven feature design.

TECHNICAL SKILLS

ML / Data Science

- Machine Learning, NLP
- TensorFlow
- Mathematics for ML

Languages & Analytics

- Python
- MS Excel & Data Analytics
- Data Structures & Algorithms

Tools & DB

- OpenAI API, Generative AI
- MongoDB, MySQL, RDBMS
- Git/GitHub, VS Code

PROJECTS

Swasthy — AI-Powered Healthcare Ecosystem (Flagship Project) Jan 2026 – Present

- Built the health-risk-prediction engine using Python-based ML/rule-based logic and structured health data analysis.

Truthify — AI Fact-Checking Platform 2026

- Built NLP and text-similarity models in Python to verify sources and detect misinformation.

Suroor — Music Streaming Platform (Spotify Clone) 2025

- Applied Python-based data processing techniques to a real-world Kaggle music dataset for feature integration.

Virtual Healthcare & Appointment Management System 2025

- Structured and processed medical-record data in Python to support the appointment management system.

PATENT & RESEARCH PUBLICATION

- Design Patent — AI-Powered Healthcare Dashboard & Monitoring System (Swasthy):** filed for the dashboard interface and interaction design, covering the medication safety alert system, family health-monitoring dashboard, and integrated medicine-reminder interface.
- Research Publication (Springer):** “AI-Powered Medical Report Analyzer and Virtual Health Assistant” — a comprehensive research report.

EDUCATION

B.E. Computer Science (AI & Machine Learning) — Chandigarh University 2024 – 2028 | CGPA: 7.3

Senior Secondary (Class XII), Math & Science — Raj Career Inst. School 2022 – 2023

Class X, Mathematics & Science Foundation — Gautam Senior Secondary School 2020 – 2021

CERTIFICATIONS

- Python for Data Science, AI & Development — IBM
- Generative AI & AI for Business (15+ skills) — LinkedIn Learning
- Mathematics for Machine Learning — Coursera
- Prompt Engineering Specialization — Coursera (Vanderbilt University)
- Relational Database Management System (RDBMS) — IBM
- Academic Research Foundations — LinkedIn Learning
- Microsoft Certification Course — LinkedIn Learning
- RSCIT (Rajasthan State Certificate in IT) — Govt. of Rajasthan:** covers computer fundamentals and MS Office with a strong emphasis on Excel & Data Analytics, plus internet & digital literacy.

ADDITIONAL INFORMATION

Languages: English, Hindi

Awards & Activities: Patent applicant · Published researcher (Springer) · Active GitHub contributor · Hackathon participant · Daily coding & project building
